Bringing the War Home The Weather Underground the Red

Varon compares the Weather Underground in the United States and the Red Army Faction in West Germany, as some who had come up in the New Left turned to revolutionary armed struggle through guerilla tactics, at a point of the New Left s height but shortly before its decline.

Bringing the War Home The Weather Underground the Red

Bringing the War Home is a fascinating account of why violence develops within social movements, how states can respond to radical dissent and forms of terror, how the rational and irrational can combine in political movements, and finally how moral outrage and militancy can play both

constructive and destructive roles in efforts at social change.
