China and the Middle East The Quest for Influence

Kumaraswamy distills China's Middle East ambitions to a quest for political legitimacy (p.11). In its bid to achieve recognition at the expense of Taiwan, he asserts Beijing sought to overcome the previously mentioned obstacles and was eager to offer political, economic, ideological and even military support to the region (p. 12).

China and the Middle East The Quest For Influence

They take up China's economic relations with the Middle East, its arms control and proliferation policies. They look at the impact of China's Middle East policy on relations with other countries, such as Turkey, Pakistan, and India. The authors find that, as China industrializes, the oil-rich Persian Gulf region is becoming more and more important to it as a source of energy, in view of the shortage of its own oil supplies..
