Imperial Sudan The Anglo Egyptian Condominium 1934 1956

Imperial Sudan completes a study of the formative colonial period during which Britain and Egypt ruled the country. The previous volume, the acclaimed Empire on the Nile: The Anglo-Egyptian Sudan, 1898-1934, appeared in 1986. The current book takes the narrative to independence in 1956 and thus, with Empire, constitutes the first comprehensive survey of the political and economic history of the Anglo-Egyptian Sudan.
