Micro Level Economic Planning Its Significance and Objectives

Thus the decentralized planning or the micro level planning is a kind of planning at the grass-root level or planning from below. Planning process in a country is having various tiers, viz., centre, state district, sub-division, block and village. Under this type of planning, emphasis has been given on the introduction of district planning, sub-divisional planning and block-level planning so that this type of planning may work at village level.
