While the story starts off where you are feeling sorry for the main character, Marian Keyes does a great job of reeling the reader into the storyline and she does a great job of keeping the reader entertained throughout the book, no matter the subject.

The Other Side of the Story A Novel by Marian Keyes

"The other side of the Story" is charming, fun, and sweet. Although the story was a bit long, it's well worth the time you take to read it. I enjoyed how Keyes made the point in her book about how hard it is for authors to get published; then basing the story on 3 woman all tied together though books. Awesome read! I reccomend it to ALL Marian Keyes fans, as well as fans of the chick lit genre!
